

Love, Attention, Walks, Cuddles and Mum or Dad daily photos offered x

I support 2 charities - Save The Rhino and Cats Protection hence the name 🐾

If you are looking for a loving, patient lady for your dog whilst you are on holiday, weekend break, business or hospital stay- chat with me and let's see if I can help.
If you need a pet taxi for vet visits – please ask.

Most dogs catered for - just ask.

I would be happy to look after your dog or cat(s).
I have looked after dogs in my home and at their home.
I have looked after cats in their homes.. sometimes just 1, sometimes 4 cats.
I have looked after rabbits too.

Some of my charges have needed diabetic injections and other medication.
We enjoyed walks/swims, or just rest and cuddles.
There are plenty of green spaces and I'm sure we can find ones near you to take walks.

I grew up with alsations and cats at home, and many visits to Game Reserves where I learnt a healthy respect for all animals.

I really would like to care for your dog if he or she fits the following description:

Walks on a lead

Has quite good or excellent recall

Asks to go out to wee

If your dog is under 1, working on his/her house training then we could discuss their care

x

I'm sorry to say that if your dog is older than 1 year and non-toilet trained then I will not be able to care for your dog unless it is end of life care x

I love meeting new characters, caring for regulars and enjoying the walks or swims they go for when we are out and about. Snuggles and cuddles are on tap but we will uphold your guidelines on commands, treats and suggestions.

Please note- for Christmas Day, Boxing Day, New Year and other bank holiday days I ask for a supplement of £10 in addition to the usual daily fee.
